INTRODUCTION

The 97 volumes of *The Collected Works of Mahatma Gandhi* contain over 33,000 letters written by M. K. Gandhi. The editorial architecture of the *CWMG* does not permit the letters received by M. K. Gandhi to be incorporated in the series, except of course as some footnotes or as items in the appendices.

Several collections of M. K. Gandhi's correspondence with others have been edited and published. His correspondence with Romain Rolland, Jawaharlal Nehru, Rabindranath Tagore, Sarojini Naidu, and Mirabeau [Madeleine Slade] have been published.

The archives of the Sabarmati Ashram Preservation and Memorial Trust contain approximately 8500 letters received and preserved by M. K. Gandhi. The letters are principally in three languages (Gujarati, Hindi, English). This project aspires to transcribe and publish these letters as "Letters to Gandhi." These volumes are intended to be read along with the *CWMG*. For this reason, where possible, a reference to M. K. Gandhi's response contained in the *CWMG* is provided.

These volumes will be in three languages but, the series will not include translations of the letters in other two languages. These letters, following the editorial architecture of the *CWMG* are presented in chronological order. The first volume in the series contains letters from 1889-1900 and has 312 letters and 8 appendices. This second volume contains letters from 1901 to 1910 and has 281 letters and 109 appendices. The editors have taken every care to transcribe the letters faithfully and they are published here as in the original, with all variations in spellings and forms of address.

Dina Patel, Shyno Baby Paul, Hetal Rathod, Niru Olakiya have helped in making of this volume. Much thanks. We thank the trustees of the Sabarmati Ashram Preservation and Memorial Trust for their support. We thank Vivek Desai, Apurva Ashar and Soham Patel of Navajivan. We are grateful to Professor Rudrangshu Mukherjee, Chancellor, Ashoka University for supporting this publication.

LETTERS TO GANDHI

VOLUME II
(1901–1910)

1. *LETTER FROM LANCELOT PARKER BOOTH*¹

THE DEANERY
UMTATA
*January [10, 1901]*²

MY DEAR MR. GANDHI,

I have received an official letter stating that correspondence from the War office will be forwarded to me informing me that “The work of the Natal Volunteer Indian Ambulance Leader has been brought to the notice of Her Majesty the Queen, and that the Commander in Chief has decided that the names of these men are to be included in the Medal Rolls for the South Africa 1899-1900 medal³.”

I shall write again to you when I receive the correspondence.
I enclose another note⁴.
Our best regards to all.

Affectionately yours,
LANCELOT P. BOOTH

2. *LETTER FROM LANCELOT PARKER BOOTH*

THE DEANERY
UMTATA
January 28, 1901

MY DEAR MR. GANDHI,

With a great scramble I am able to get off by this post enclosed copies of the official correspondence forwarded to me today.

I should think the part I have lined, about the Queen, might well be copied for each Leader.

¹ Rev. Canon Booth or Lancelot Parker Booth was a Medical adviser, a mentor to the Indian Ambulance Corps (1899-1900), head of St. Aidan's Mission, Durban; supervised a small charitable hospital founded by Indians in 1899 and Dean of St. John's in Durban.

² From the Sabarmati Ashram's archival database entry.

³ Refer, *CWVG*, Vol.29, p.67 and *CWVG*, Vol.39, p.174.

⁴ This is not available.

The par[agraph] about 'any other man similarly situated' might be taken advantage of by Mr. Clarence¹ so as to obtain the medal for the Europeans employed, or did you say he had done something in this way!

In great haste,
Yours truly,
L. P. BOOTH

5. *LETTER FROM JOHN LUTCHMAN ROBERTS*¹

HOPE MISSION STATION
PHOENIX
March 12, 1901²

S.N. 3786

DEAR MR. GANDHI,

I enclose herewith a list of the names of the teachers³ who are members of our Union, as requested. May I see you at your residence on Saturday next the 16th instant at 3 p.m. as I have certain matters to lay before you.

Kindly let me know what you intend to do with reference to my suggestion about having a picnic for all the Indian School children on Easter Monday, which as you know falls on the 8 of April.

I hope you will use your influence personally so that the above may really take place & be a success. I can assure you it would be a red letter day in the lives of the Indian children concerned.

One of the objects of the Congress I believe is to promote Education, but up to present, it has done little or nothing as far as this important matter is concerned. If I am not mistaken it is your business, as Secretary of the Congress, to see that the Congress does not violate one of its vital principles. As far as I can see, education seems to be one of the dead principles of the Congress. It is all very "well for the Congress to pose" as promoters of (Indian) Education by promising it, but it is the fulfilling of that promise that is required. Some sort of scholarship ought to be offered to the Indian children of the Colony instead of empty promises and unfulfilled pledges.

Now to the picnic affair: if matter of spending £20 once in a while for the benefit of the Indian children would not hurt the Congress in the least, so I hope you would let me know definitely what is to be done regarding this affair at your earliest convenience.

¹ An Indian Christian and son of an ex-indenture labour, a Sunday school teacher at St. Aidan's Mission, Member of the Indian Educational Association, tutor for the Natal Civil Service Examination, a steward at Durban Club.

² It is noted on the letter that it was received on 13-3-1901.

³ This is not available.

6. *LETTER FROM B. KHAMBATA*

PRETORIA
March 18, 1901

DEAR MR. GANDHI,

The final despatches of General Buller¹ have been published in the London Gazette of the 8-2-01, and I am pleased to inform you, (in case you do not see it) that the following appears regarding the work of your bearer company on page 948.

"The names of the following Officers have been specially brought to my notice:-

(e) Indian Ambulance Corps:-

Mr. Clarence, Superintendent.

Mr. Ghandi, Asst. Suptdt.²

Para 10, page 948, Col 2, under (j),

"The Indian Ambulance Corps, under Suptdt. Clarence, have been most careful of the wounded—the conditions of their enlistment did not allow them to go under fire."

¹ Sir Redvers Henry Buller (1839-1908), British Army officer served as Commander-in-Chief of British forces in the early months of the Second Boer War and subsequently commanded the army in Natal until his return to England in November 1900.

² MKG wrote on March 30, 1901 to the Colonial Secretary of Natal regarding General Buller's despatch wherein he was described as Asst. Supt., Indian Ambulance Corps. He stated, "if the extract is complete, according to my correspondent no more officers of that Corps are thus mentioned. If that be so, and if the credit given is to the Assistant Superintendent as such, it belongs to Mr. Shire, who was the only Gentleman in the Corps recognized as such. And if the description of the office is of no consequence and if I am entitled to any credit for having done my duty, it is due in a greater measure to Dr. Booth, now Dean of St. John's, and to Mr. Shire who spared no pains in making the Corps the success it proved to be." *CWMG*, Vol.3, pp.215-216.
